

Cruise with Ali to the Italian Riviera

Aug. 24-Sep. 2, 2023

Why I love this itinerary:

Barcelona has always had a special place in my heart. Beginning and ending your cruise experience in this magical city will be one of the best aspects of this itinerary. Barcelona is lively yet quaint, where history meets beach. It's a winner no matter your travel style. The French Riviera is iconic and gorgeous and we'll get two stops with both Marseille and Nice! The port of call in Ajaccio is really unique and two stops along the Italian Riviera

ensures you'll spend time in the villages that really capture the spirit of Italy - including Florence - my all time favorite city. Of course time in Rome for iconic sightseeing, and then Naples is the gateway to the Amalfi Coast! If you want non-stop stunner views of the Mediterranean, this is your itinerary!

Pre- and Post-Cruise experiences available in Barcelona!*

*Pre- and post-cruise experiences can be customized to each couple or family. Barcelona has a wide variety of activities and sites to see as well as a diverse offering of hotels to accommodate a variety of budgets. I am also happy to arrange airfare for your cruise to ensure you have ample time before and after boarding the ship.
